🏀 Here's the Play-by-Play and Rules 🏀

Bracket of 64: Register online for your shot to be part of the 64-player Tournament of Cities to be held during the 2024 KLC Conference & Expo. Deadline to register for the tournament is July 31. All entries received by the deadline will be entered into a drawing with a full bracket reveal during Wednesday's Opening Ceremony. (A maximum of two city officials per city.)

Conference Showdown: Contestants will compete in a Pop-A-Shot mini basketball shooting contest. Contestants will compete one-on-one and side-by-side during a 60-second game with an electronic scoreboard tallying points. Win and advance to the next round. Battle it out throughout the conference until only four finalists remain. (In the event of a tie, a 60-second "overtime" will immediately be played.)

Rounds consist of: First round (64 contestants), second round (32), third round (16), quarterfinals (8), semifinals (4), and the championship game.

Final Shootout: On the last day, the top four will compete for the ultimate KLC Fan Pack!

Prize package for the champion consists of one Yeti cooler and two rocker camp chairs.

Get in the Game: To register visit <https://go.klc.org/24> ConferenceBoardRegistration or scan the QR code.

Due to the multi-day nature of the tournament, participation is limited to those registered for the entire conference.

KLC Referees: KLC "refs" will be patrolling the contests to enforce fair play. No intentional bumping or blocking will be allowed. Intentionally disrupting your opponent will result in a forfeit.

Game Schedules: Round-by-round game times will be posted. The first two rounds will be played Wednesday evening in the Expo Hall. The third round and quarterfinals will be played Thursday outside the expo hall. The semifinal and championship games will be played during Friday's Closing General Session in the Hyatt Regency Patterson Ballroom.

Substitutions: In the event a contestant is not able to participate in a particular round, they may pass on their spot in the tournament to an alternate from the same city. Only that alternate can play out the rest of the tournament in the place of the original contestant.

A contestant will forfeit if they or a designated alternate do not arrive within two minutes of their posted game time, which will be available in the conference app and outside the Expo Hall. No exceptions!

The contestant and alternate will independently determine how to share the prize package should they win the championship.

Game Swag: The first 200 people to register for the tournament will receive a **unique jersey representing their city**, even if they're not drawn to play. We'll also have all the tools your city representatives need to cheer you on to victory!
