

KLC INSURANCE SERVICES RISK & SAFETY CONFERENCE

THE CENTER FOR RURAL DEVELOPMENT
SOMERSET, KENTUCKY

MARCH 5-7, 2025

Wednesday, March 5

Breakfast on your own.

8:00 a.m. - 12:00 p.m.

Preconference: Excavation and Lockout Tagout (dw/ww 4 hours)

Learn about OSHA's Subpart P of the 1926 standards. Attendees will learn about soil classification and instrumentation, shoring techniques, trench boxes, and competent person requirements. The second part of the training will cover the lockout tagout standard. This session familiarizes participants with 29 CFR 1910.147, The Control of Hazardous Energy (Lockout/Tagout). The presentation demonstrates lockout and tagout methods relating to various hazardous energy sources. Topics include training requirements, documentation, hardware, and group lockout.

A boxed lunch will be provided for preconference attendees.

12:45 p.m. - 1:00 a.m.

KLC Risk & Safety Conference Kickoff

Presenter: KLC Deputy Executive Director Greg Partin

Presenter: KLC Director of Loss Control Aaron Parrish

Presenter: KLC Senior Loss Control Consultant Gary Musgrave

1:00 p.m. - 2:00 p.m.

General Session: It's Your Safety, Don't Give It Away

Presenter: Kina Hart

At this presentation, you will have the opportunity to witness the raw power of one person's journey through an unimaginable event.

Transport yourself into the depths of Kina's story as she recounts the harrowing moment when she found herself ensnared in a treacherous conveyor belt. Through her heartfelt and honest narrative, you will feel the unimaginable terror and pain she endured. Kina's courage to face adversity head-on is nothing short of awe-inspiring.

Beyond the gripping tale, this presentation aims to empower all who attend. Kina's mission is to help those around her understand the importance of workplace safety. With genuine compassion and unwavering determination, she shares her profound insights and practical advice. Through her engaging storytelling, Kina

RISK & SAFETY CONFERENCE

transforms this event into an opportunity for collective growth and awareness.

By attending this presentation, you become part of a greater movement - a movement that transcends words and statistics. You will leave with a renewed perspective and empowerment to make a tangible difference in your own workplace. Be inspired to take ownership of safety and join Kina in creating a culture that prioritizes the well-being of each employee.

Kina's message addresses the importance of training, following safety procedures, and having a positive attitude toward life, all while showing how to keep yourself and the people around you safe. She started speaking in hopes that her workplace injury could help others take safety more seriously.

2:00 p.m. – 2:10 p.m.

Break

2:10 p.m. – 3:10 p.m.

Breakout Session (1)

Traffic Control Work Zone Safety (Part 1) (dw/ww 1 hour)

Presenter: Martha Horseman, Kentucky Transportation Cabinet

Ron Albritten, Kentucky Transportation Cabinet

This training session includes lectures, videos, and hands-on exercises to present proper use of personal protective equipment, proper and improper flagging operations, and methods of communicating with workers and the public.

Breakout Session (2)

Pesticide Safety

Presenters: Kentucky Department of Agriculture Pesticide Licensing and Compliance Branch Manager Brad Smith

Kentucky Department of Agriculture Pesticide Inspection Supervisor Carla Hart

This session is an overview of Kentucky pesticide regulations and who needs to be certified to make applications. The course will cover pesticide licensing requirements, common misconceptions, and general pesticide safety. Participants will know whether they need a license, how to obtain it, and how to protect themselves around pesticide applicators.

RISK & SAFETY CONFERENCE

Breakout Session (3)

KY811

Presenter: Kentucky 811 Eastern and Central Region Damage Prevention Manager Jamie Gaddis

Every excavation project requires a call to 811. Hitting an underground utility line while digging can result in serious personal injuries, harm the environment, and incur costly fines, insurance claims, and repair costs. Learn about the applicable laws and what your responsibility is regarding underground utilities as a service provider or someone about to dig a hole or trench.

3:10 p.m. – 3:20 p.m.

Break

3:20 p.m. – 4:20 p.m.

Breakout Session (1)

Traffic Control Work Zone Safety (Part 1) (dw/ww 1 hour)

Presenter: Martha Horseman, Kentucky Transportation Cabinet

Ron Albritten, Kentucky Transportation Cabinet

This training session includes lectures, videos, and hands-on exercises to present the proper use of personal protective equipment, proper and improper flagging operations, and methods of communicating with workers and the public.

Breakout Session (2)

Disaster Responsibilities for Utilities in Kentucky

Presenter: Randall Kelly, Kentucky Rural Water Association

Breakout session (3)

Legal Update

Presenter: KLC Personnel Services Managing Attorney Chris Johnson

Learn about recent legal issues and risks cities and utilities are facing and how to protect yourself and your organization.

6:30 p.m. – 11:00 p.m.

Networking - Cornhole Tournament, Games, Snacks, and Drinks

RISK & SAFETY CONFERENCE

Thursday, March 6

Breakfast

8:00 a.m. – 8:15 a.m.

Daily Update

Presenter: KLC Senior Loss Control Consultant Gary Musgrave

8:15 a.m. – 9:15 a.m.

General Session: Excavation Equipment Safety (dw/ww 1 hour)

Presenters: Boyd Caterpillar Instructor Tony Portman

No matter how familiar you are with backhoes, skid steers, or loaders, it is vital for every operator to know the basic safety protocols and general operational practices of these machines. A certified operator from Boyd Caterpillar will review the basic safety protocols and practices that could save your life.

9:15 a.m. – 9:30 a.m.

Break

9:30 a.m. – 10:30 a.m.

General Session: Active Shooter Training

Presenter: Department of Homeland Security Protective Security Advisor Kyle Wolfe

Mickey Hatmaker

In many cases, active shooter incidents have no pattern or method to the selection of victims, which results in an unpredictable and evolving situation. Amid the chaos, anyone can play an integral role in mitigating the impacts of an active shooter incident. The Department of Homeland Security provides a variety of no-cost resources to the public and private sector to enhance preparedness and response to an active shooter incident.

10:30 a.m. – 10:45 a.m.

Break

10:45 a.m. – 11:45 a.m.

Breakout Session (1)

Backhoe Operator Safety (dw/ww 1 hour)

Presenter: Boyd Caterpillar Instructor Tony Portman

Tony Portman, a certified instructor for Boyd Caterpillar, will review basic backhoe safety protocols and practices and provide you with information that could save your life.

RISK & SAFETY CONFERENCE

Breakout Session (2)

Fire Extinguisher Simulator Training

Presenter: City of Pikeville Fire Department Capt. Cris Allen

The City of Pikeville will demonstrate a fire extinguisher training simulator and teach the proper selection, placement, and use of extinguishers.

Breakout Session (3)

Cyber Security, Protecting Your Organization

Presenter: Colin Glover, U.S. Department of Homeland Security

Many of the worst hacks begin with simple mistakes. The cybersecurity advisor for Kentucky from the Cybersecurity and Infrastructure Security Agency will provide an overview of the threat that everybody faces when going online and methods that everyone can take to protect themselves and their organization.

12:00 p.m. – 1:00 p.m.

Lunch

1:00 p.m. – 2:00 p.m.

Breakout Session (1)

Lockout Tagout (dw/ww 1 hour)

Presenter: Gary Hall, Kentucky Fire Commission

This session familiarizes participants with 29 CFR 1910.147, The Control of Hazardous Energy (Lockout/Tagout) and Kentucky-specific requirements. The presentation demonstrates lockout and tagout methods relating to various hazardous energy sources associated with machinery, equipment, and processes used in industry. Topics include training requirements, documentation, hardware, and group lockout.

Breakout Session (2)

Mower and Small Equipment Safety

Presenter: Ben Taylor, Midwest Equipment

Cities and utilities rely on countless pieces of small equipment and different forms of lawn mowers to manage properties, playgrounds, rights of way, and facilities. One of Kentucky's largest equipment distributors will teach safe operating procedures, equipment maintenance, and recommend PPE.

RISK & SAFETY CONFERENCE

Breakout Session (3)

Slow Down to Get Around

Presenter: Rumpke Waste and Recycling Special Projects
Coordinator Dan Katt

2:00 p.m. – 2:15 p.m.

Break

2:15 p.m. – 3:15 p.m.

Breakout Session (1)

Confined Space Safety (dw/ww 1 hour)

Presenter: Kentucky Labor Cabinet Certified Safety and Health
Consultant Peter Borosky, CIH CSP

This session addresses the scope of 29 CFR 1926 Subpart
AA, Confined Spaces in Construction, and how it affects the
construction industry from a safety and health perspective.

Breakout Session (2)

What's New with Playground Equipment

Presenter: Bluegrass Recreational Equipment

Breakout Session (3)

Regulatory Update for Water and Sewer

Presenter: Arianna Lageman, Kentucky Rural Water Association

3:15 p.m.-3:30 p.m.

Break

3:30 p.m.-4:30 p.m.

Breakout Session (1)

Bloodborne Pathogens

Presenter: Kentucky Labor Cabinet Certified Safety and Health
Consultant Peter Borosky, CIH CSP

This session explains the requirements of 29 CFR 1910.1030,
Bloodborne Pathogens. The presentation examines how to reduce
or eliminate employee exposure to blood or other potentially
infectious materials for employees with non-routine exposure,
such as first aid responders. Topics include components of a
written exposure control plan, personal protective equipment,
housekeeping, warning signs and labels, employee training, and
recordkeeping.

RISK & SAFETY CONFERENCE

Breakout Session (2)

Kentucky Dam Safety Program

Presenter: KY Division of Water Dam Safety Section Supervisor
Glen Alexander, PE

City lakes, water reservoirs, and river spillways all require a level of maintenance to prevent catastrophic failures. Learn from Kentucky's Division of Water what is required and/or suggested for owners to keep these impoundments safe for years to come.

Breakout Session (3)

Emergency Action Plans

Presenter: Brandon Hayden, City of Pikeville Fire Department

6:30 p.m. – 9:30 p.m.

Networking- Cornhole Tournament, Games, Snacks, and Drinks

Friday, March 7

7:30 a.m. – 8:30 a.m.

Breakfast/Awards

8:45 a.m. – 10:00 a.m.

General Session: Safe Vehicle Operation

10:00 a.m. – 10:15 a.m.

Break

10:15 a.m. – 11:15 a.m.

Breakout session (1)

Claims Awareness

Presenter: KLC Senior Loss Control Consultant Gary Musgrave

An effective tool for determining where your next injury, liability, or property claim will come from is the claims history of similar organizations. This session will review the different types of claims and give suggestions on how to prevent them from occurring in your organization.

Breakout session (2)

Respiratory Protection/Personal Protective Equipment (dw/ww 1 hour)

Presenter: Gary Hall, Kentucky Fire Commission

This session explains occupational exposure limits and the methodology of controlling employee exposure to airborne chemicals. Topics include the various types of respiratory

RISK & SAFETY CONFERENCE

protection, the capabilities and limitations of respiratory protection, and the elements of a minimally acceptable respiratory protection program.

Breakout Session (3)

Hazards to Outdoor Workers

Presenter: CDC NIOSH Health Scientist Brenda Jacklistch

Learn about physical and biological hazards to outdoor workers, including ticks and mosquitoes, venomous snakes and spiders, stinging insects, poisonous plants, heat stress, and sun exposure. Recommendations for each topic will include prevention and basic first aid. Find out about the latest NIOSH information on these topics.

The classes with (dw/ww) on the agenda have been submitted for approval for continuing education hours with the Kentucky Division of Water.
