

A GUIDE TO MUNICIPAL IT BUDGET PLANNING

BARCLAY GREER MANAGER, STRATEGIC ADVISORS, VC3

Barclay Greer has spent over 25 years in the IT industry—including over 20 years of advising clients and 15 years with VC3. She manages a team of advisors with a range of clients in the municipal, commercial, and nonprofit sectors. Having worked with a variety of clients across her career, she specializes in creating comprehensive roadmaps and budgets that address both immediate needs and future growth.
